

Food Center Coordinator (AmeriCorps)

FRIEDENS FOOD PANTRIES

Last Updated: 05/5/2020

Mission and Purpose

A network of food pantries building communities of peace to nourish the body, mind, and soul.

As the largest food pantry network in Milwaukee, Friedens Food Pantries is a stabilizing force in our neighborhoods. Since 1978, we have used a community-centered approach, accepting the responsibility of honoring individual choice by providing a variety of fresh and nutritious food options and connecting our community members to other support services. Friedens addresses the emergency food needs in Milwaukee neighborhoods with a high population of low-income households that commonly suffer from food insecurity. We partner closely with StreetLife Communities, which is an organization dedicated to providing outreach and support to individuals experiencing homelessness.

The Food Center Coordinator AmeriCorps position promotes the community food center model at Friedens that integrates food access, food education, food sustainability, and food advocacy in vibrant, welcoming, trauma-informed community spaces. The position allows an individual the opportunity to grow in experience, knowledge, and job skills while supporting Friedens' food programs and engaging directly with pantry shoppers.

The ideal candidate is adept at building and maintaining trust-based relationships, engaging stakeholders and applying an equity lens towards transforming lives and communities. As such, we strongly encourage applications from candidates who foster and promote the values of diversity and inclusion.
