Virtual Drives

Stretch your dollar! For every \$5 dollars donated, Friedens feeds 1 person for 5 days. Consider maximizing your impact by encouraging your family and friends to donate to our general operating funds. Some people find virtual fundraisers easier than bringing in actual food. They'd rather just write a check or click a button. For that reason, we've found virtual drives are a nice complement to food drives, especially since some people like that Friedens can stretch their dollar by purchasing food in bulk for cheaper.

A virtual fundraiser would look similar to the link below:

<https://secure.givelively.org/donate/friedens-community-ministries-inc/fundraise-for-us>

Most elements of the page are customizable and we're happy to set it up for you. Once created, you'll get a link you can circulate to friends and colleagues. For example, your page might say "Help purchase a new fridge!" or "Help feed 50 families!". It's up to you what your fundraising goal and ask will be. Talk with our staff to get ideas.

There are so many great ways to host an event that benefits Friedens Food Pantries. Friedens staff can help with planning, promotion and inspiration. For more information on fundraising for Friedens Pantries, please contact our Executive Director at director@friedenspantry.org

Here are some great examples of successful types of events to get you started:

Christmas Toys

The need is typically higher during the holiday season as families balance necessity and celebration. Help us bring joy and cheer to our families by contributing a gift for our annual Christmas gift giveaways. If you are interested in participating, we accept toys, games, and books for children (age 0-17) starting October 1st - December 15th. Contact our Operations Manager at operations@friedenspantry.org or 414-289-6030.
